About THIQAH

Overview

The Islamic Development Bank Group Business Forum (THIQAH) was established as a unique and innovative platform for effective dialogue, cooperation, and partnerships for IsDB Group and business leaders committed to joining in promising investment and trade opportunities. Through THIQAH, the IsDB Group seeks to reinforce the effectiveness and success of the partnerships that have been forged between the Group and business leaders and establishments in our Member Countries.

Vision

THIQAH’s vision is to position itself as the leading business platform of the IsDB Group serving the private sector in member countries and maximizing the achievements of successful investment projects. Through facilitation and catalyst roles, THIQAH will be leveraging IsDB Group’s resources to offer necessary services and confidence to investors in member countries.

Mission

THIQAH’s mission is to establish strategic partnerships with the leaders of the private sector in order to capitalize on their expertise and know-how on one hand, and to synergize with IsDB Group entities on the other. The primary focus will be on maximizing cross-border investment among IsDB Group member countries to be supported by IsDB Group’s financial products and services.

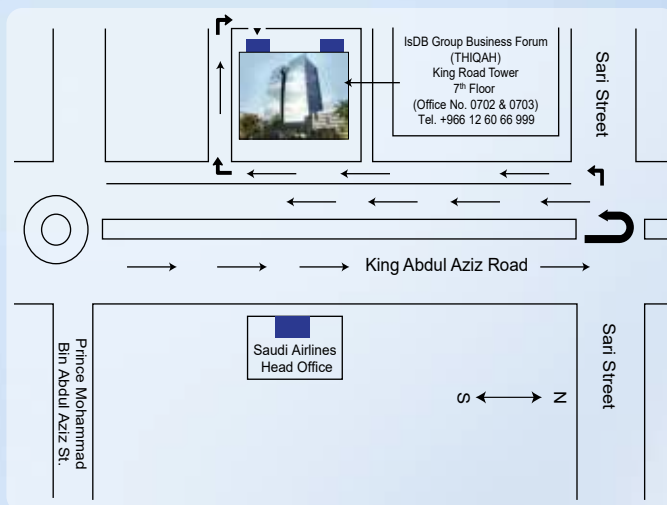

Services and Facilities Available at THIQAH Head Office

THIQAH members have full access to THIQAH premium meeting facilities to hold their meetings and events. The Head Office is operating daily (from 8:00 AM to 10:00 PM). It is a business hub that is equipped with facilities and services to help members conducting their business activities more efficiently and successfully. These facilities include:

- Meeting rooms for events, B2B meetings and other functions;
- Latest audio-visual communications transmission (teleconference and video conference systems) to conduct overseas meetings with remote participants and counterparts;
- Temporary executive offices for visiting members;
- A network connecting THIQAH's head office with IsDB Group;
- Secretarial support and services;
- Events webcasting system;
- Catering services arrangement;
- Professional photography and videography services;
- VIP and lounge areas.
